

# How Medicare Works with Medi-Cal

A Center for Health Care Rights representative will discuss:

- Medicare benefits and costs
- Eligibility rules for Medi-Cal
- How Medi-Cal can help with costs not covered by Medicare

The Center for Health Care Rights (CHCR) is a non-profit organization that provides free information and help with Medicare.

CHCR is funded by the Health Insurance Counseling and Advocacy Program grant provided by the Los Angeles City and County Area Agencies on Aging through the Older Californians Act. CHCR is not part of the Medicare program and does not sell insurance.
